Handler Discrimination classes are titling classes in which the targeted scent is that of handlers themselves. Handlers are required to provide their own scented articles in a plastic bag, for the Novice class, one cotton glove or cotton sock. Three qualifying scores are required to earn titles in each class. Advanced through Master, the handler-scented article must be a cotton ball or cotton swab. Handlers may utilize any method they feel is best to scent their articles.

Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or an AKC Canine Partners listing number must be spayed or neutered in order to compete. Wherever the word "dog" is used in these regulations it includes both sexes.

Dogs with physical challenges (including amputees) are eligible to participate provided that, in the opinion of the judge, the dog displays no sign of physical discomfort and can safely complete the search. Deaf and blind dogs are allowed to enter. **Females in season may not** participate, aggressive dogs, or dogs suffering from an injury, or illness which may affect the dog's physical or mental performance may not participate. No dog shall compete if it is sutured, bandaged, or has any visible wounds.

Trial Secretary will add a \$29.00 collection fee to the amount of each returned check.

WAIT LIST INFORMATION

Great Barrington Kennel Club is offering a wait list to fill openings created by withdrawn entries after the trial's closing date. A maximum of 25 entries per trial will be placed on the club's wait list. **All entries must be received by the Trial Secretary prior to 21 January 2022.** No entries may be withdrawn with a refund after closing on 22 January 2022, except BIS with veterinary certification. If a withdrawn entry is replaced by a wait listed entry, a full refund will be issued for the withdrawn entry. Any wait listed entry that does not move off the wait list into the trial will receive a full refund.

STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

Staging Area will be out of view of search area(s). Staging area will include crating, warm-up and waiting area, as well as the secretary table for check-ins and posting of running order and results.

The **Handler's Briefing** will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, maximum height of hides and maximum time for the search. **NO DOGS** are to be present during the Handler's Briefing.

A warm-up **area** will be available consisting of one container of each scent offered and may also consist of blank containers. Exhibitors should limit their warm-up to (2) two minutes or less. The warm-up area is to be used exclusively for warming up the handler-dog team prior their run. The warm-up area is not for training or relieving of the dog.

SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class.

Search Area Conditions. Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, asphalt or other similar surfaces.

ADDITIONAL SITE INFORMATION

Possession of Odors and Training. Chapter 5. Section 26 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

The **Great Barrington Kennel Club** and the **Eastern States Exposition** will not be responsible for any lost or damaged items left at the show site.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.

RIBBONS, AWARDS, AND PRIZES

Placement ribbons will be awarded in each class as follows:

<i>First Place</i>	<i>Blue</i>
<i>Second Place</i>	<i>Red</i>
<i>Third Place</i>	<i>Yellow</i>
<i>Fourth Place</i>	<i>White</i>
<i>Qualifying Score</i>	<i>Dark Green</i>

A **New Title rosette** will be awarded to all dog and handler teams finishing a title.

High in Trial

Only teams who participate in the same difficulty level in all elements offered (Container, Interior, Exterior, and Buried) and qualify in each are eligible to win High in Trial. One High In Trial winner is chosen; there is no separate High In Trial for the Novice A and Novice B sections.

The High in Trial is determined by adding the team's faults across the elements. If there is a tie based on faults, then the team's times across the elements will be summed and the faster-finishing team will win. Teams winning High In Trial will earn a HIT rosette.

Teams who participate in the same difficulty level in all elements plus Handler Discrimination, and qualify in each, are eligible to win High Combined Division and may earn an HCD rosette.

All exhibitors should obtain a copy of the Regulations for Scent Work Trials by downloading them from the American Kennel Club website – akc.org.

NOTICE TO EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

These trials are held in conjunction with our All-Breed Conformations Shows, but in a separate building.

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Great Barrington Kennel Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The Great Barrington Kennel Club reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the Great Barrington Kennel Club or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical condition are not eligible for a refund.

Bitches in season will be refunded the full entry fee. Notification in writing must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial.

RINGSIDE

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

EXHIBITOR CHECK-IN: At check-in you will receive your armband number. An event catalog will be available. Once the time and location for check-in is determined, all exhibitors will be notified by email.

“Exhibitors should follow their veterinarian’s recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.” Additionally, clubs should include any specific local or state health requirements; for example, proof of rabies vaccination.

LODGING AND PARKING INFORMATION

Daily Parking: Daily Parking is \$5.00 per day and is collected upon entrance to the grounds. Parking passes for the shows are available. These passes do not offer any savings but do provide an added convenience for multiple entrances and exits over the weekend. The GBKC has no involvement in collecting these fees and receives no portion of them.

RV Parking: There will be space for overnight parking of motor homes and campers on the grounds of the Eastern States. The fees are \$30.00 (**cash only**) per day and are collected by Eastern States Personnel. Reservations are available upon entrance to the grounds. Multiple reservations and saving of space are not permitted. The GBKC has no involvement in collecting fees and receives no portion of those fees. Electrical hookups with limited service MAY be available. There are no guarantees. No air conditioners or other high amperage appliances may be used due to the type of service provided. If you need to use high amperage appliances (driers, microwave ovens, air conditioners, etc.), please use your generator. Overloading the circuits will result in tripped breakers. Restoring service may not be immediate, especially at night. Motor Homes and Campers may move onto the grounds no earlier than two (2) days prior to the start of the shows.

They will be directed to the available lots for the events. Certain areas of the grounds may be restricted. Storage and/or stock trucks may occupy the same space provided the same power source is utilized. Vehicles may not occupy a camper space in the designated camper lots. A Dump Station is available on the grounds at no charge. Please see a show official for its location. Please leave your parking areas clean by bagging all refuse and throwaway items.

IN ORDER TO PREVENT ADDITIONAL INCREASES in parking fees and SEVERE RESTRICTIONS on motor home parking, PLEASE RESPECT Eastern States Personnel, Grounds and Equipment on motor home parking.
