TRIAL SITE, BRIEFINGS, WARM-UP, AND STAGING AREA INFORMATION

Trial Hours will be the same on both days of the regular class trials. Detective trials will run on Friday afternoon. Trial site will be open to competitors at 7:30 am Saturday & Sunday and Noon on Friday for Detective. Trial site will close an hour after the last dog has run for the day. Interior (incl. Container/Buried) search locations may require dog and handler to climb stairs to access the area. Exterior (incl. Container/Buried) search locations may have uneven ground with dirt and or gravel. Trial site is a children's sleep away camp and covers a large area which may require Competitors to walk a distance to get from one search area to another. If you have concerns or special needs, please contact the Trial Chairperson. *Competitors are responsible for knowing the parameters of the search whether they attend the briefing or not.*

The **General Briefing** will take place at approximately 8:30 am near the Check-in table. This briefing consists of introductions of the Trial committee, Judges and a general recap of Site location and Trial rules.

A **Judges Briefing** may take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the briefing the Judge will explain if there's an off-leash option, number of hides, maximum height of hides and maximum time for the search. **NO DOGS are to be present during the Judges Briefing.**

A **warm-up area** the club shall designate a warm-up area. One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers.

Staging Area will be out of view of search area(s). Staging areas include waiting area for teams ready to enter the search area. Only one team may be in a staging area at a time.

There will be a separate area for check-ins and posting of running order and results. Competitors are required to check in for each day of the trial.

SEARCH AREA AND RING CONDITIONS

Search areas may be of any shape, and of the size specified in the Regulations for each class.

Search Area Conditions. Searches may be indoors, on matted, carpeted, hardwood or tiled surfaces, or outdoors on grass (real/artificial), gravel, earth/dirt, sand, concrete, wood deck, or asphalt surfaces.

Search Area Sizes will be as follows, Container Novice (250-400sq ft.), Interior Novice (100-200sq ft.), Exterior Novice (200-400sq ft.), Buried Novice (150-200sq ft.), Handler Discrimination Novice (250-400sq ft.), Detective (2000 – 5000sq ft) or as required in the latest version of *Regulations for AKC Scent Work*. *(Available on the AKC website at AKC.org)*

ADDITIONAL TRIAL SITE INFORMATION

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments, and such visits may risk the host losing the opportunity to use the location in the future.

Possession of Odors and Training. Chapter 5. Section 35 of the *Regulations for AKC Scent Work* states “No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area”.

Spectator Area. Spectators are encouraged and may observe at the Judge's discretion. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area or area as designated by the Judge. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide.

Crating space will not be available at this trial. Competitors are required to crate out of their vehicles. Please leave appropriate space between vehicles, eight feet recommended, to allow your dog to exit without encountering another dog or person.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

The Great Barrington Kennel Club will once again be using the **Remind** notification system to inform Competitors on the status of the trial day. Due to the large area the trial covers this system makes it easier for Competitors to receive information on trial status. The system sends out a text message to notify participants when search classes have started, ended as well as when results are posted. Those who have participated at past trials found this a wonderful way of keeping up with where the trial was and made being prepared for their searches a better experience. More information will be provided to Competitors on how to join the group text closer to the trial.

VOLUNTEERS/STEWARDS

Please consider volunteering some time to help run a class/element, no experience is necessary. On The job training provided. Great benefits offered like the opportunity to run first in class, and lunch/snack.

Trials cannot operate efficiently if there are no Stewards to assist the Judges and keep the trial moving.

Volunteering is a great way to view more experienced teams in action or gain information about the upper levels/element you are not currently trailing at. You do not need prior experience to volunteer.

Consider that the volunteers working during your run cannot do their runs without your assistance as a volunteer.

An email will be sent separately to all Competitors prior to the trial by the Volunteer Coordinator (Alicia Holmes) for you to sign up to volunteer.

Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made.

The Great Barrington Kennel Club and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. Handlers are not allowed to take video while handling a dog, except for cameras such as the "GoPro" are permitted to be worn by handlers. These videos are for the enjoyment of those who cannot be present to watch the team search, and for the handlers to have a keepsake of their experience. Videos are not permitted to be streamed live, posted, or shared to social media until the conclusion of the trial day.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.
